Date

Recommendations must be **received** by **March 31<sup>st</sup>** to be considered with an application. Recommendations may be included with a signed application packet or sent separately. If sent separately from the application, send completed recommendation to: Lift Off! Scholarship, PO Box 2044, Ft Knox, KY 40121 or [scholarships@ftknox.afceachapters.org](mailto:scholarships@ftknox.afceachapters.org) subject "Scholarship Recommendation". When sent separately, recommendations must include either the applicant's e-mail address as given on the scholarship form, the student id as given on the transcript of the high school the student attends, or the street number (number only, without name) from the address as given on the scholarship form. Recommendations sent separately are not shared with the applicant and are confidential to the AFCEA Gold Vault Chapter scholarship committee, executive committee, and board of directors. Recommendations are considered to be the sole opinion of the recommender and are not considered official or unofficial statements of the organization or employer of the applicant. The scholarship committee is given sufficient information on page one of this recommendation form to use it in the rating process. However, additional comments may be made here or in a separate document or letter attached to this form. Omitting comments or letters does not disadvantage an applicant.

Instructions for Recommendation types and Recommendation strength: The recommendation strength should be based on your impression of the applicant based on your knowledge and observations. The types are the characteristics that support or reinforce your recommendation. The numbers are how strongly each type supports the recommendation strength with 5 being the strongest, and 1 being the weakest. The same number may be specified for more than one type. Using the numbers is optional and types may be checked (or indicated using X) instead. Checking a type is the same as giving it a 5 on the numerical scale.
